

Future Colt Band Parent Letter

My name is **Crystal Kirk** and I am the Arlington High School Colt Band Booster Future Colt Chair as Colt Band Alumni. The Arlington High School Colt Band is one of great legacy and of course, **SPIRIT, PRIDE, and TRADITION!** This legacy lives on today through our strong band directors, students, booster club, and alumni. Our AHS band alumni shared that their favorite memories from high school were those that they built with the AHS Band. They also shared that learning to **work as a team, building self- confidence and learning leadership skills** are extremely valuable in their professional careers later in life.

In addition, AHS Colt Band students and alumni shared that the band is an extension of their **family**, and that **family** made the transition to high school much easier. AHS Colt Band students and their parents become part of the **Colt Band Family** for many generations.

I am excited to share that we are partnering with the Bailey & Gunn Junior High Directors to share our **Future Colt Band Member** program. Through this program, your student can begin to connect and build relationships with the AHS Colt Band. This will give your family an opportunity to join the **Colt Band Family** early and ease the transition to high school in the next few years.
